

2024 Early Career and Educational Scholarship Application Guidelines

The deadline to submit an application for a conference scholarship October 1, 2024.

The American Society of Ketamine Physicians, Psychotherapists and Practitioners (ASKP3) offers scholarships to early career professionals and clinical students who might not otherwise be able to attend the ASKP3 Annual Conference. Awards are based on the appropriateness of the educational opportunity related to the applicant's position, financial need, and contributions of the applicant to his/her community and to ASKP3. Two different levels of scholarships will be made available.

1. 100% of your registration fee will be covered by ASKP3. This does not include reimbursement of any expenses.
2. 50% of your registration fee will be covered by ASKP3. This does not include reimbursement of any other expenses.

PURPOSE:

- To promote our commitment to the safe clinical use of ketamine for mental health disorders and pain conditions.
- To create national exposure of our society to potential members and foster mentorship and collaboration.
- To allow individuals to participate who are eager to contribute to the ketamine field and their community who would otherwise not be able to attend the Annual Conference.
- To maximize quality of care by furthering knowledge, collaboration, and the exchange of ideas and research in the use of ketamine and other psychotropic medications for the treatment of mental illness and pain disorders.
- To promote high scientific, ethical and professional standards in the field.
- To expand access to ketamine therapy internationally.
